## **Attention Commanders and Deputy Commanders CAP Senior Officers Needing a Unit Commanders Course:**

**UCC** discusses the traits and skills new unit commanders will need to develop to effectively manage their units. Topics include recruiting and retention, command responsibility and accountability, safety, how to work with families, management, leadership, communication, and elements of successful units and leaders.

**And**

**UCC** is designed around a core/elective format. All courses must complete a core of 7 lessons, but may select 9 lessons from a list of electives. In this way wings can tailor their courses to meet the unique needs of their commanders. All courses last 16 classroom hours and are administered at the group or wing level.
